HealthPass ANCILLARY EXCHANGE

WHAT IS THE HEALTHPASS ANCILLARY EXCHANGE?

The Ancillary Exchange allows employer groups of all sizes to offer their employees a robust and flexible menu of supplementary health and non-health related coverage with easy administration for both the employer and employee. Through the Ancillary Exchange, employees have the opportunity to enroll in benefit plans and other services through a state-of-the-art Benefits Administration System.

COVERAGE OPTIONS INCLUDE:

- **Dental plans (up to 13)** through Guardian, Solstice & UnitedHealthcare (PPOs, DMOs & In-Network Only Plans)
- **Vision plans (3)** through Guardian, Solstice & UnitedHealthcare
- **Term Life plans (4)** through Guardian (non-contributory & voluntary)
- **Bundled Disability/Life/AD&D plans (2)** through Guardian (EverGuard & EverGuard Plus)
- **Accident plan** through Guardian
- **ID Theft plans (2)** through LifeLock
- **Pet plans (2)** through Total Pet Plan & Nationwide
- **Health, Wellness & Cosmetic** discount services plan through Beyond Med

WHY THE HEALTHPASS ANCILLARY EXCHANGE?

Flexibility. The Ancillary Exchange allows employers to build a comprehensive supplemental benefits offering. Employees are then able to create their own voluntary personalized benefits package by selecting the plan(s) that work best for their needs and budgets.
