

Why Work With My Savoy Benefits?

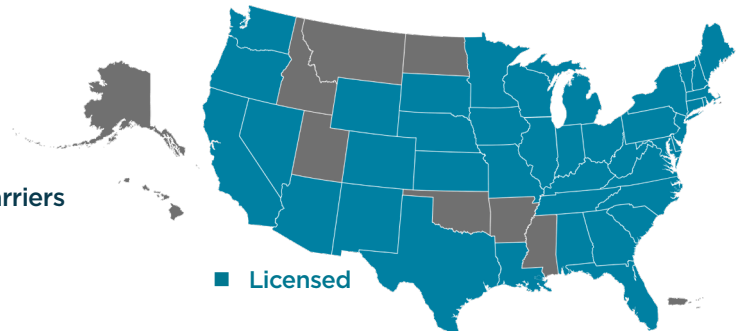

- Expert regional account representatives and operations team readily available to you
- Compliant Contact Center that specializes in serving as an extension of your business
- Market-leading call recording and digital enrollment technology
- Educational resources, marketing materials and webinars designed specifically for your clients

WE ACT AS AN EXTENSION OF YOUR BUSINESS, AND HELP YOU SERVE YOUR CLIENTS EXPERTLY.

My Savoy Benefits is fully equipped with people, process and technology. Our regional managers and support staff assist brokers throughout our geographic footprint and are true experts in all state-specific regulations, carriers and plans.

- ✓ Boutique agency, serving brokers since 1984
- ✓ Licensure in 40+ states
- ✓ 100+ general agency carrier and vendor contracts
- ✓ Semi-national and contracts with all major Medicare carriers

We've invested in the latest technology to make sure shopping, quoting and enrollment is a breeze. Our digital platform, Connecture, allows you to efficiently manage your business, provide top-tier client support and maintain CMS compliance.

Plus, we have a completely in-house and compliant Contact Center, staffed with licensed agents ready to provide Medicare education and enrollment support.

WAYS TO WORK WITH US.

We'll work with you to create a customized partnership plan to make you a trusted resource for Medicare.

All Referrals = Easiest

- ✓ Brokers with Medicare demand within existing groups
- ✓ Not certified to sell Medicare

Send us your Medicare-eligible clients, we'll do the rest.

Sell Medigap = Most Popular

- ✓ Brokers certified to sell Medicare Supplement plans only

We'll assist your Medicare Advantage & PDP clients via our compliant, in-house Contact Center.

All In = Top Compensation

- ✓ Brokers certified to sell all Medicare plans

You'll gain free access to Connecture, our digital enrollment tool—allowing you to compare plans, quote, and enroll clients. Plus, it includes free call recording technology.
